Summary

I'm a 2nd-year B.Tech student specializing in Computer Science and Engineering at Adi Shankara Institute of Engineering and Technology. As a beginner in the tech field, I'm passionate about exploring emerging technologies and building a strong foundation in core computer science concepts. I have a keen interest in areas like software development, AI/ML, and problem-solving. Beyond academics, I'm a dedicated and enthusiastic student actively involved in volunteering activities, student communities, and tech-related initiatives. These experiences allow me to contribute to my community, develop essential soft skills, and expand my network. With a curious mindset and a growth-oriented attitude, I'm continuously seeking hands-on opportunities—through internships, events, and projects—to learn, innovate, and evolve as a tech professional.

Experience

Talrop

Kochi

Quality Assurance Intern

07/2024 - 01/2025

- Performed manual testing on Talrop's web platforms, identifying and documenting UI/UX issues, broken links, and functional bugs.
- Reported bugs with clear reproduction steps, severity levels, and suggested improvements for better resolution.
- Conducted responsiveness and performance testing across various devices and screen sizes to ensure a consistent user experience.
- Collaborated closely with developers and designers, providing actionable feedback to enhance overall usability.
- Gained hands-on experience in real-world QA processes, effective team communication, and continuous product enhancement.

TinkerHub ASIET

Kalady

Media Team

10/2023 - 07/2024

- Created and managed multimedia content for various tech events and workshops at TinkerHub, ensuring high-quality and engaging materials.
- Assisted in promoting TinkerHub's activities and initiatives through social media and other digital channels, enhancing brand presence.
- Collaborated with team members to develop and execute marketing strategies, increasing event visibility and user engagement.
- Contributed to the planning and execution of successful promotional campaigns, driving participation and community growth.
